

Tomorrow's Cutting Edge Online Classes, Available Today.

Emantras' "Course Catalog" offers immediate implementation of SCORM compliant, highly interactive online courses. Designed to be objective driven and textbook agnostic, Emantras' "Course Catalog" is geared towards college-level education but is flexible enough for enterprise training. In addition, catalog content can be customized towards specific needs.

Course Features

FLASH

For detailed animations, simulations, & interactions.

PROFESSIONAL VOICE

Friendly voiceover narrates the content and directs the learning.

SPEED-BUMP KNOWLEDGE CHECK

Interactive activities seamlessly woven into lecture content keeps students attentive and engaged.

DETAILED SIMULATIONS

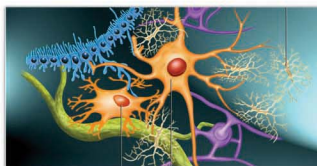

Highly detailed and accurate simulations reflect real-world scenarios and applications.

PERSONALIZED CONTENT DELIVER

Course components natively available as .mp3 and .pdf downloads, making content available anytime anywhere.

Currently 60 titles are available in the growing catalog.

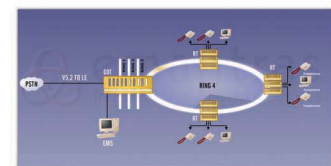

Catalog Areas

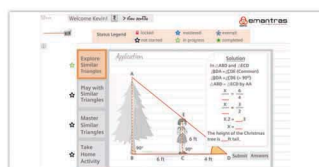

MEDICAL BILLING & CODING

CRIMINAL JUSTICE

INFORMATION TECHNOLOGY

GENERAL EDUCATION

MANAGEMENT & SUPERVISION

Emantras, a proven leader in online education and training with Fortune 500 and US education institution partners, can help increase the effectiveness of your learning initiatives.

Course Offerings
